Clyde, Ohio 43410

**RE:** City of Clyde  
Remove / Install Screw Pumps – 2 ea.

Dear Mr. Bauer;

We are quoting a price of \$ 40,000.00 for the labor, equipment, and materials to remove the existing screw pump components (2 ea.) and to install the new screw pump components (2 ea.) furnished by the City of Clyde. The screw pumps will be replaced one at a time.

Our scope includes removal of existing screw pump components at the lower flumes, demo and removal of existing grout down to solid material, disposal of demolished grout, cleaning and preparation of flume to receive new grout, installation of new screw pump components, attachment and removal of grout screeds to the screw pump, placement of new grout in the flume, installation of new oil lines in existing conduits, grouting of base plates, and clean-up.

Pricing does not include any electrical work, painting, or manufacturer's start-up. Flow isolation of flumes to be by Wastewater personnel.

*Our cost breakdown is as follows:*

Materials	\$ 2,500.00
Labor/Equipment/Misc.	\$ 37,500.00
<b>Total</b>	<b>\$ 40,000.00</b>

If Sales Tax is required: Add \$190.00 to the total amount quoted above. This quote is good for 30 days. It is understood that this work would be performed in August of 2015.

If you have any questions or concerns, please don't hesitate to contact me.

Sincerely,  
**MOSSER CONSTRUCTION, INC.**
