Clyde, Ohio 43410

RE: Tabulation of Bids for the Hamer Street Improvement Project

Dear Mr. Fiser:

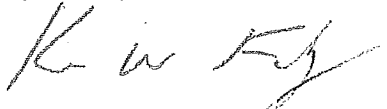

Enclosed please find the tabulation of bids received July 20, 2017 relative to the above referenced project. As indicated on the bid tabulation (attached), the low bidder was Buckeye Excavating & Construction, Inc. from Norwalk, Ohio with a bid of \$752,211.00.

Based upon our review of the bids received, it is our recommendation that the contract be tentatively awarded to Buckeye Excavating & Construction, Inc. pending approval of the The Ohio Public Works Commission and receipt of certificates of liability and workman's compensation insurance coverage and required performance and contract bonds from the Contractor.

A search was performed with the State of Ohio Auditor's office on the Unresolved Findings for Recovery Database, as required by ORC 9.24, no match to "Buckeye Excavating" was found. Additionally, this company was not listed on the Federal Contractor Debarment list. Evidence of the search results will be provided for the City's records.

If you concur with this recommendation, we suggest that the City's Law Director prepare any necessary legislation for the next Council meeting. If you need anything further please do not hesitate to contact our office.

Respectfully Submitted,

Kevin W. Fahy, P.E.
