Clyde Zoning Code Section 1135.01(b) Variance. The variance procedure is instituted to allow the Board of Zoning Appeals the authority to grant a variance from the requirements of the Zoning Ordinance as will not be contrary to the public interest; and where owing to special conditions, a literal enforcement of these provisions would result in an unnecessary hardship. No nonconforming use of neighboring lands, structures or buildings in the same district shall be grounds for issuance of a variance. Variances shall not be granted solely on the grounds of convenience or profit. (Ord. 1985-40. Passed 8-6-85)
